To do before my arrival

Confirm my admission

1 BEFORE YOUR ARRIVAL: VIA THE PLATFORM IN USE

◆ If you are an independent international student:

remember to confirm your admission before your arrival via the platform in use ('eCandidate' or 'Études en France') or in some cases by email or post.

◆ You are an international mobility student:

your application is generally submitted on the Moveon platform (or another platform depending on the organisation of your school/faculty/institute), and 'Études en France' for non-European students from the countries concerned.

2 AS SOON AS YOU ARRIVE: AT YOUR HOST INSTITUTION

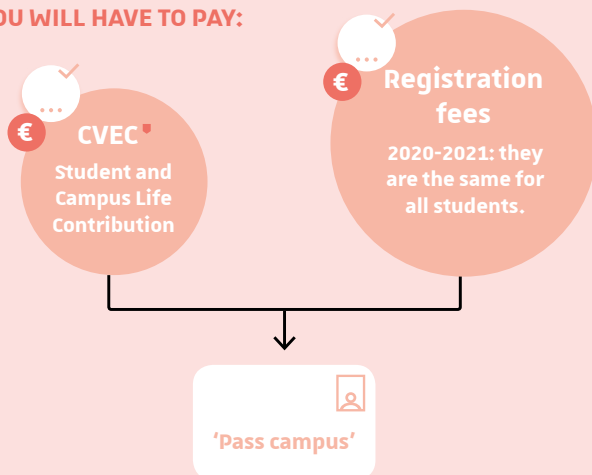

Even if you have a pre-registration letter, you are not yet truly registered. You must then confirm your registration with the administration as soon as you arrive.

TO CONFIRM YOUR ADMINISTRATIVE REGISTRATION, YOU WILL HAVE TO PAY:

important

If you are part of an international mobility programme (Erasmus+, Hors Erasmus+ or Eucor - The European Campus), you will pay neither the registration fee nor the CVEC.

Don't get lost in translation

CVEC: Student and Campus Life Contribution

The CVEC is a membership fee that gives you access to university health services, sports, art and culture. Amount for 2020-2021: €92.

Check that my French

is good enough

Most of the courses are held in French. You will generally be required to have a **B2 level**.

The language level required may be different for students in the international mobility programme.

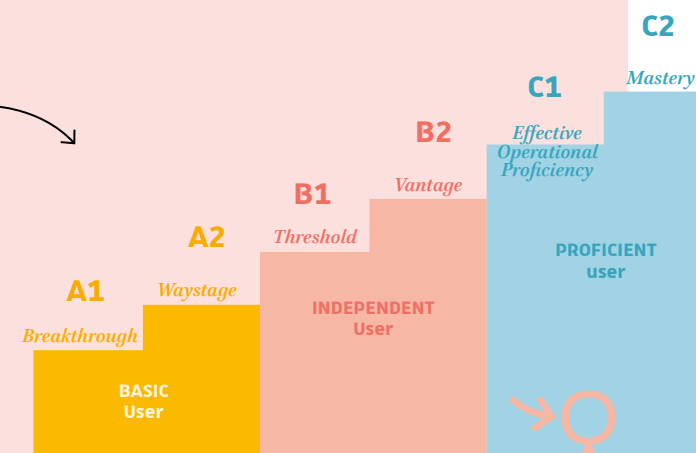

Please contact your CORI¹ (Correspondent for International Relations) at the University of Strasbourg or refer to the mobility management rules.

The International Relations Correspondent is the contact person within your faculty/school/institute.

You need a visa to study in France if :

you are an international student and you come from a country outside the EEA (European Economic Area) and Switzerland;

you do not already live in France and
you do not yet have a residence permit.

Steps

If you have registered at the university via the 'Études en France' platform, your visa application will be transmitted automatically.

Otherwise, you will have to apply for a visa at the French embassy or consulate at your place of residence.

Different types of visas

Your visa will depend on the length of your stay in France:

If you stay less than 3 months in France:
SHORT STAY STUDENT VISA

Your visa may be marked:

- 'court séjour pour études' (short stay for studies) or
 - 'étudiant concours' (student-in-competition)
- depending on the nature of your stay.

If you will be staying from 4 months to 1 year in France:
LONG-STAY STUDENT VISA

Your visa will either be a:

◆ **'Visa long séjour valant titre de séjour - VLS-TS'**
(long-stay visa valid as a residence permit)

The VLS-TS can be marked:

- 'étudiant pour des études au niveau licence, master et doctorat' (student for studies at Bachelor, Master and Doctorate level);
- 'passeport talent' (talent passport) for certain doctoral students;
- 'mention stagiaire' (trainee mention).

or a:

◆ **'visa long séjour temporaire - VLS-T'**
(temporary long-stay visa)

The VLS-T mainly concerns students coming for a short training period (in particular in the framework of exchanges) and professional trainees. It is not renewable and does not give the same rights as a VLS-TS.

If you need a visa to come to France, you will have to prove that you have a minimum of €615/month.

You will be able to prove this with:

a scholarship certificate;

a standing order from your bank;

a proof of coverage by a guarantor in France.

→ 'Find a guarantor', page 15

important

Ask for the right visa as you will not be able to modify it after your arrival in France.

important

Remember to get a personal health insurance before your arrival as you will not be able to benefit from French health insurance.

Look for accommodation

Accommodation offers

Housing is one of the great challenges of student life, so it is best to start early! Find your accommodation among the solutions best suited to students.

UNIVERSITY HOUSING:

You are a student part of an international mobility:

You can apply for accommodation in the Crous' university residence ('Cités universitaires' or 'Maison universitaire internationale'), at the International Relations Department when you apply online at the University of Strasbourg.

You are a scholarship student (from the French government or from your government through 'Campus France'):

The allocation of accommodation is made directly through 'Campus France'.

For the other students:

There may be accommodation available for students (scholarship holders or not, French and internationals) arriving outside the September start period.

Crous accommodation available for booking:

or on

Don't get lost in translation

Crous
Crous is a public organisation. Its role is to improve students' living conditions (social aid, housing, catering, reception of foreign students, etc.). The Crous handles university residences and housing estates in France.

PRACTICAL TOOLS TO FACILITATE YOUR SEARCH

◆ 'Agora de rentrée'

From the end of August to mid-September, a multi-service counter is set-up to answer your questions about housing and to carry out your administrative procedures (CAF, Crous, 'Action logement').

◆ Housing Guide - International students

◆ Housing Counsellor

You can get advice and help with your housing search from a housing advisor.

Contact: info-logement@unistra.fr

Maison universitaire internationale – Bureau N°4
11, presqu'île André Malraux, 67100 Strasbourg

Find a guarantor

To apply for accommodation, you must have a guarantor. There are several solutions:

◆ Garantie Visale (proposed by 'Action logement') :

If you live in a private accommodation and have no one to turn to, and depending on the eligibility criteria, you can benefit from the Visale guarantee for free.

To do so, you must submit your application before signing the lease and have a valid residence permit.

◆ LOCA-PASS (offered by 'Action logement') :

a free service that offers you an advance payment or payment of the security deposit.

Guarantor
Person (family member, friend, third party) or legal entity (company, bank, association) who commits to paying the tenant's rent, in the event of the tenant's insolvency.

important

Do not pay out any money before you have visited the accommodation or signed a rental agreement. For legal advice or assistance in housing matters, you can contact the ADIL (Agence Départementale pour l'Information sur le Logement) free of charge.

important

The Crous accommodation is intended for students with a small budget. Space is therefore limited.

Multi-risk home insurance

In France, it is compulsory to insure your accommodation. This insurance allows you to be covered in the event of damage in your home (water damage, theft, fire, etc.).

In order to be covered by Civil Liability insurance¹, make sure it is included in your multi-risk home insurance policy.

You can take out insurance with your bank or a private insurer.

The cost is between €20 and €80 per year, depending on the additional cover chosen.

Housing tax

In 2020, the housing tax is removed for 80% of housing. Check if you don't have to pay this tax on the online simulator.

Don't get lost in translation

Responsabilité civile (RC) (Civil Liability)

Is the obligation to repair the damage caused to one or more people. It can be covered by insurance.

Examples of insurance:

Open my bank account

If you stay in France for more than three months, it is advisable or mandatory in some cases to open a bank account to enable you to:

Receive your scholarship, salaries, Housing Benefit and reimbursement of medical expenses.

Obtain a credit card (used for most procedures and fee payments).

Obtain a 'relevé d'identité bancaire' - RIB (bank details) to pay your rent, bills or to be paid by bank transfer.

You will be able to open a bank account in any bank in France. In order to facilitate your steps, we invite you to:

- Ask your bank in your country of origin if it is associated with a French network;
- Find out about the different online banks (free bank card);
- Contact the 'Maison universitaire internationale' for a list of banks located near the Esplanade campus (main campus).

Contact:
mui-info@unistra.fr

Opening an account is generally free of charge but some services may be subject to a fee.

important

Be careful before opening a bank account. Read the conditions in order to choose the offer that suits you best.

Take care of my health

In France, there are two organisations that complement each other to **cover the majority of your health expenses**:

One is free and compulsory: health insurance

The other you have to pay for and is optional: the complementary health insurance

At your expense

Don't get lost in translation

EHIC

European Health Insurance Card. This card is free and valid between 6 months and 5 years depending on your country.

Health insurance

Subscription to health insurance (social security) is compulsory and free and can be applied for online at: etudiant-etranger.ameli.fr. You must have finalised your registration at the university to register.

You will have to advance your medical expenses for the first few months. Don't panic, refunds are retroactive to your date of registration at the university.

◆ If you are a student from an EEA (European Economic Area) country or Switzerland:

you do not have to register for health insurance and must apply for the European Health Insurance Card (EHIC) from the social protection body in your home country.

◆ If you are from Québec and you are part of an international mobility:

you will not have to register for health insurance if you present forms SE 401-Q-102 bis or SE 401-Q-106 when you register at the university.

◆ If you are doing an internship:

you will not be able to register for health insurance since you will not be registered at university. The same applies to students **over the age of 28**. You will then have to take out personal insurance.

Complementary health insurance

Subscription to a complementary health insurance company is not mandatory but will enable you to be reimbursed for the rest of the costs not covered by the health insurance. You will have to pay for this subscription.

You can choose the complementary health insurance of the CPAM (Caisse Primaire d'Assurance Maladie) or a student complementary health insurance (LMDE, SMEREP, MGEL, etc.).

University Health Service (SSU)

As an international student, you will benefit from the university's health services:

'Health examination' (preventive examination with medical, social and psychological dimensions)

Support and integration of disabled students

Specialist medical consultations (gynaecology, nutrition, emergencies, sports medicine, smoking cessation, medical advice, absence certificates)

Anonymous screening and treatment of sexually transmitted infections

Courses and evaluation

Organisation of the courses

Courses are organised by semesters and modules called 'Unités d'Enseignement - UE' (Teaching Units). You will have to obtain 30 ECTS credits of courses per semester, i.e. 60 ECTS credits for one year. These credits are associated with obtaining a UE.

There are 3 levels in French higher education:

Academic career

↑ DOCTORATE (PhD)

↑ MASTER'S DEGREE

↑ BACHELOR'S DEGREE

ECTS credits

The term ECTS means European Credits Transfer System in English, or 'Système européen de transfert et d'accumulation de crédits' in French.

Don't get lost in translation

D for Doctorate (PhD):

6 semesters

M for Master's degree:

4 semesters or 120 ECTS credits

L ('Licence') for Bachelor's degree:

6 semesters or 180 ECTS credits

Grading system

- Students are graded out of 20 points: 0/20 is the worst grade, and 20/20 is the best. The minimum grade to pass an exam is 10/20.
- If you have less than 10/20, you can do a retake.

You can be **assessed continuously** throughout the year and/or in **final exams** (at the end of each semester).

To find out about your evaluation system, please refer to the examination rules (MECC) published by your faculty/school/institute. In general, Bachelor's courses evaluate you continuously throughout the year and Master's courses in final exams.

If you have a valid excuse, you may be allowed to participate in substitute examinations, which are usually held several weeks after the end of the semester.

The information in the 'Résultats d'examens' section, (Examination results) accessible on your Ernest digital work environment, is displayed for information purposes only. Only the transcripts sent by the school's tuition department are authentic.

Continuous assessment

Exam

CM or 'cours magistraux' (lectures) They take place in the amphitheatres known more simply as 'amphi'. Interaction with the teacher is limited. You must mostly take notes.

TD or 'travaux dirigés' (tutorials) and TP or 'travaux pratiques' (practical work)

These are small group classes that take place in classrooms or laboratories. You apply the concepts covered in CM.

Don't get lost in translation
